8/25/84 MADISON SQUARE GARDEN, NEW YORK CITY, NEW YORK
Kimala W. Jay Strongbow (By pin, after a devestating Flying Big Splash, to the back. Kimala, also, used his vicious chops, to weaken his foe. The Ugandan destroyed The Indian, to no end. Kimala's Manager, Freddie Blassie, and Assistant, Friday, were at ringside, during this bout. The African and his associates came out to the ring, to some strange "Jungle Music", a the start.)
Brian Blair D.C.O.R. Mike Sharpe (Blair and Sharpe fought out of control, on the ringside floor. At that point, the referee counted them out, outside the ring. This was a good match, with alot of action.)
Salvatore Bellomo DREW Rick McGraw (Bellomo and McGraw tried to pin each other, a number of times, but nothing worked. Salvatore tried to score a pin, when the bell rang, to signal that the time limit was up. This bout was decisioned a draw. Salvatore and Rick worked very well together, and gave it their all, in this hard fought match.)
Dick Murdoch & Adrian Adonis W. The Wild Samoans #1 (Afa) & #2 (Sika) -DQ. (Special Guest Referee, Lou Albano: This bout was wild, from start to finish. The end came, when one of The Samoans had one of The Ruffians down, for the pin, when referee Albano stopped his count, because he was paying attention to the other Samoan, who he thought was going to interfere, in this skirmish. The Samoans got angry that Lou did not take the pin count, and did a little number on him. For this action, on the part of The Samoans, Lou disqualified them. Albano really just wanted to get even with them. Both teams looked real

(Continued)

good, in mat combat. The Samoans put their heads to good use, by butting their foes, a number of times. Murdoch and Adonis are a real good combo, and did great in this rough and tumble match.)

Ken Patera W. Pat Patterson (By submission, with a Super Punishing Full Nelson Hold. Ken looked good, but Pat has seen better days, at this point. This was a good bout, anyway.)

Jesse Ventura W. Ivan Putski -C.O.R. (Ventura and Putski were fighting on the outside ring apron, while the referee was tolling the count. Jesse then fell through the ring ropes, into the ring, and Ivan fell off the outside ring apron, onto the ringside floor. The referee counted Putski out, outside of the ring, and gave the decision to Ventura, who was in the ring. This was an alright bout.)

The Fabulous Freebirds (Michael Hayes & Terry Gordy & Buddy Roberts) W. Butcher Vachon & Pete Doherty & Ron Shaw

(FIRST FALL- The three Freebirds entered the ring area, to the song, "Freebird", with their Manager, Dave Wolff, who is the manager of Rock Singer Cyndi Lauper. The Birds looked sensational, in battle, and their manager stood at ringside, for this entire event, and cheered them on. This stanza ended, when Gordy did a number on Vachon, and pinned him, with a One Leg Cradle.)

(SECOND FALL- At the finish of this fall, Roberts pinned Doherty, with a One Leg Cradle, after a Fabulous Flying Elbow Drop, to the throat/upper chest area. Michael wrestled, danced, and strutted during this bout, to no end. Hayes missed with one of his Great Flying Elbow Drops, on one of his opponents, during this match, but he did everything else real well. Terry caught two of his foes, with his famous Double Clothesline Attack, that looke terrific. Buddy wrestled good, and gave his enemies fits, during this two fall battle, and so did Terry. Michael, Terry and Buddy gave the spectators what they wanted, great mat action. Hayes, like Roddy Piper, can get the fans going. The crowd went wild over The Freebirds, who are now fan favorites. The Birds gave their ruffian opponents, Vachon, Doherty and Shaw, what for, in this match. This bout was good, only because The Birds were in it. Hayes, Gordy, Roberts and Manager Wolff left the ring area, to the song, "Freebird".)

Roddy Piper W. Jimmy Snuka -C.O.R. (Piper's forehead was cut bloody, by Jimmy, who did a number on him, outside of the ring, with the use of a steel ringside chair. Snuka used his martial arts, and a Head-Butt Attack, on Roddy, and Piper did his usual thing, on Snuka, during this fracas. The end of this bout occurred, when Snuka mounted the top ring rope/corner turnbuckle, and executed a Flying Body Press. Piper then got up, off the mat floor, and was standing by the ring ropes. Snuka then landed on Roddy, who bounced Jimmy on the top ring rope, and over it, to the ringside floor. Jimmy, of course, was counted out, outside of the ring, by the referee. Piper, who was a bloody mess, was then declared the victor. Piper then did a number, on Jimmy, with a steel ringside chair, and Snuka had to be carried away on a stretcher, to the dressing room. This was a great bout. Both Snuka and Piper are super ring generals, and work well against one another. Piper always gives the fans their money's worth, and Snuka did likewise.)

Terry Daniels W. Fred Marzino (By pin, with a Cradle Hold. Terry is good, and does his best, in the ring. Marzino is just alright. This bout was fair.)

Tito Santana W. Greg Valentine (By pin, with a Tremendous Flying Forearm Smash, to the head. Greg's foot was on the bottom ring rope, when the count ended. The referee, of course, was unaware of this. This bout had alot of action, with both grapplers doing their thing, to the full extent.)
